MATH	The number of the day is 10, can you count to 10? Can you write the number 10? Can you draw 10 little fish?	Let's count ice cubes again, fill a bowl with ice cubes. Roll a dice and count out that many ice cubes. Do you have any plastic fish you can add to your bowl? How many?	Mystery fish, using a white crayon on white paper, draw as many fish as you can, then using watercolor find the fish.	Use your number index cards, pull a number and see if you can stack that number of legos, or line up that number of toys.	With play doh can you make a crab, a fish, a star fish, a hermit crab and a jelly fish. Can you make a shark?
JOURNAL	What sea creatures have to seen at the beach? Draw a picture and let us know what you saw.	Pretend you are at the beach. What sounds do you hear? Draw a picture of what the beach looks like.	Can you draw a shark? How many teeth does your shark's mouth have?	Can you draw, a mommy shark? A daddy shark and a baby shark?	What kind of ocean creature would you want to be? Draw a picture and let us know.
MOVEMENT &	Can you do what Mr. Erik does?	Sing along with Miss Liz.	Exercise with Mr. Erik today.	Can you sing like Miss Liz?	See what Mr. Erik has planned for you today!
